

EASTER BUNNY

- The Bunny will need a volunteer to guide him and assist during the event.
- A place to change into costume onsite is required and must be able to access prior to event start time.
- As with most costumed characters, our Easter Bunny has no peripheral vision from inside the suit and does not speak, so assistance with movement and communication is imperative.
- The Easter Bunny cannot hold babies.
- The client is responsible for any parking fees and will provide reasonably close parking for the artist(s) to park and unload.
- For any events over an hour, the Bunny will need to take short breaks.
- Renter understands/agrees that cancellation of an event for any reason other than weather or unpreventable natural causes after initiating a contract will result in the forfeiture of 20% of the total event price (minimum \$50.00). Any deposit amount previously paid in excess of this amount will be held as a credit to be applied to a rescheduled event within one year of the original event date.
- **Due to the high demand for our holiday entertainers, we require a four-week cancellation or time-change notice. Any cancellation or schedule change occurring with less than the four-week notice will result in the customer being charged the full contract amount.**
