

**HOG WILD**

**REQUIREMENTS:**

- 1-2 participants at a time
- 1 Attendant
- Best 2 out of 3 flings (1 out of 3 for younger children)
- Corn in the hog's mouth = Winner
- Recommended Participant Ages: Pre-K through Elementary
- Equipment includes 6 ears of corn and 2 catapults. Customer will be charged for missing items.
- 4L x 7W x 7H space needed, plus launching room

**SAFETY RULES:**

- Be sure that there is plenty of clearance between the player and spectators.
- Rope off plenty of room to create a "launching zone". Make sure that there is more than enough space to use the launcher safely.
- Never allow more than two people in the "launching zone" at a time.
- Keep spectators clear from the sides and back of the game to prevent them from being struck by a deflected corn.
- Regularly inspect launcher to insure that it is in sturdy condition, and use only the launchers included with the game.
- All players must wear shoes. Corn flinging is accomplished by stomping the launcher.
- NEVER USE THE GAME IN STRONG WINDS OR LIGHTENING!! If bad weather arrives, take game inside or lay down.
- Customer may provide a carpet square to buffer noise.
- Duct tape may not be used to post rules on the game.
