

HOG WILD

REQUIREMENTS:

- 2 participants at a time
- 1-2 Attendants
- Best 2 out of 3 flings (1 out of 3 for younger children)
- Corn in the Hog's Mouth = Winner
- Recommended Participant Ages: PreK through Elementary
- 4L x 7W x 7H space needed, plus throwing room

SAFETY RULES:

- Be sure that there is plenty of clearance between the player and spectators.
- Rope off plenty of room to create a "launching zone". Make sure that there is more than enough space to use the launcher safely.
- Never allow more than two people in the "launching zone" at a time.
- Keep spectators clear from the sides and back of the game to prevent them from being struck by a deflected corn.
- Regularly inspect launchers to insure that it is in sturdy condition, and use only the launchers included with the game.
- All players must wear shoes. Corn flinging is accomplished by stomping the launcher.
- NEVER USE THE GAME IN STRONG WINDS OR LIGHTENING!! If bad weather arrives, take game inside or lay down.
- Customer may provide a carpet square to buffer noise
- Duct tape or like products are not to be used on any inflatable rides or games on to secure extension cords.
