

SELFIE BOOTH

REQUIREMENTS:

- 5' x 6' space needed for booth
- Good lighting and setting up indoors is recommended.
- Area must have enough space for a line to form.
- If used outdoors, wind must be under 10 miles per hour.
- One volunteer is needed for line control, to take pictures as needed and maintain prop inventory (list provided).

HOW IT WORKS:

- Our spacious Selfie Booth measures 5' x 6' and stands over 6' tall.
- The booth is draped on the sides and CC&E will provide the backdrop of your choice. We have four backdrops to choose from: Disco Ball, Balloons, "Wanted" Sign, and Red Carpet.
- Use the props to take fun selfies.
- Our unique set-up allows you to entertain nearly 100 participants per hour.
- Organization will be billed for any missing or broken props.
- CC&E is not responsible for any damage done to cell phones while using the Selfie Booth.
