

FALL PHOTO OP

REQUIREMENTS:

- 5' x 6' space needed for booth
- Good lighting and indoors recommended
- Area must have enough space for a line to form
- If used outdoors, wind must be under 10 miles per hour.
- One volunteer is needed for line control and to take pictures as needed.

HOW IT WORKS:

- Our spacious booth measures 5' x 6' and stands over 6' tall. It is draped on the sides and CC&E will provide the Fall backdrop.
Customer to provide any seating or accessories.
- Our unique set-up allows you to entertain nearly 100 participants per hour.
- Props and attendant are not included.
